## New Publication from the Committee on Trade Laws and WTO

### **Canadian Advantage - A Research Study on Canadian Business Opportunities**

**No. of pages: 194.**

The Committee on Trade Laws and WTO has undertaken country specific research studies starting with Canada. The basic objective of these research studies is to provide guidance to the Chartered Accountants and others concerned on the trade laws/rules applicable in major trading partners for (a) setting-up businesses in such countries; and (b) operating as professional accountants in such countries.

### **Salient features of the study are:**

- ❖ Provides guidance to Chartered Accountants in practice and in service and others concerned to have an insight in respect of Canadian business opportunities;
- ❖ Provides comprehensive explanation of facts on Canadian economic reality, geography, weather, Government structure, fiscal policies, setting-up business and entry requirements for business in Canada, their banking laws, capital market structure etc;
- ❖ Mentions facts for selecting major businesses/industries, information on immigrating to Canada and links to important websites;
- ❖ Lists opportunities for chartered accountants in Canada and the structure of accountancy profession in Canada including various requirements to be fulfilled by foreign accountants to operate in Canada;
- ❖ CD contains soft copy of the publication and Annexures.
