WOULD YOU LIKE TO BE PART OF A NEW-AGE RESEARCH BODY?

ICAI Accounting Research Foundation invites innovative thinkers for basic and applied research.

While upholding the principles of ethical and globally accepted accounting practices, ICAI has always kept pace with changing times. Ever committed to innovative thinking and the infusion of contemporary ideas, ICAI has set up the ICAI Accounting Research Foundation – a core research body that undertakes basic and applied research in the areas of Accounting, Auditing, Capital Market, Fiscal Policies, Monetary Policies and other related disciplines.

If you have a fresh perspective on the above subjects and can offer innovative inputs that lead to improvements in the sphere, we invite you to undertake research projects at the Foundation. ICAI-ARF would provide need based financial support for the approved research projects. The research can be performed on the subject of contemporary national/international significance in the areas of accounting, auditing, finance, fiscal and corporate laws, capital market, corporate governance, information technology and allied areas.

In addition, Infosys Fellowship Scheme has been started in collaboration with Infosys Technologies Ltd. The basic purpose of this fellowship is to attract the best talent in the country to study for Ph.D from ICAI Accounting Research Foundation. Financial assistance shall be provided by way of fellowships to the deserving candidates pursuing research under the scheme.

Meet us. Your ideas can make a difference. For more details please visit www.icaiarf.org or contact at arf@icai.org.
